

Hunger Never Takes A Vacation

Did you know there are many people here in Somerset County, including children, who go to bed hungry?

You Can Help Curb Hunger In Your Community!

Look for the **BRIGHT-ORANGE PLASTIC CURBING HUNGER BAG** tied to the handle of your blue recycling bucket. Or, you can use a regular plastic bag and write the word **"FOOD"** on it.

From **JUNE 7 - JULY 2**, on a day when your recycling is going to be picked up, please put **CANNED FOOD** into the bag and put it **AT THE CURB**, next to your recycling bucket.

Food will be collected **JUNE 7 - JULY 2, 2010**

**Food Supplies Are Lowest During The Summer Months ...
That's Why We're Asking For Your Help During the Months of June & July
Questions? Call the Food Bank Network of Somerset County at 732-560-1813**
